10) Question papers of even the University Examinations are now printed in Madras at the Govt Press (Chupsley)

W J 31/1/18

11) I do not see why the ordinary class examn papers — apart from the public examns. should be printed at all. In most cases 50 to 100 copies would be required & the cyclostyle would easily supply the requisite no. of copies. Schools at other places get on with such an arrangement & there is no reason why schools at Bangal & Negpur should get their papers printed

12) Confidential work of this kind involves a great deal of trouble in the Press & the result is not worth all that.

13) In regard to public examns like the Lower Secondary, S.S.L.C, & University Examns the case is different & the Govt. Press will print the question papers as heretofore.

relegated to Part II which may further be curtailed by the omission of routine matters.

(3) The supply of copies of Monthly Proceedings Volumes, Part I, may be restricted to Heads of Departments and Deputy Commissioners of whom a list is appended. The supply of Parts I and II may be confined to Secretariats only and the number of copies reduced to 25. A list showing the distribution of these 25 copies in the Secretariat is also appended.

G.O.No. G.12038-87/G.M.115-16-17, dated the 7th March 1917 may be suitably revised.

COMPILATION OF STANDING ORDERS.

This publication may be discontinued in future, an abstract showing the number, date and subject of the order being prepared and printed instead.

(8) PRINTING WORK

The classes of work to be done at the Press for each department without special sanction may be defined in greater detail

(2) It is found that works not coming under the purview of G.O. No. G.13906-56/G.P.24-12-11, dated 11th June 1915, are sent to the Press without obtaining the previous sanction of Government as per rules. Such cases are accumulated in large proportion and hamper the Press work a great deal A circular may be issued that this should be avoided in future.

(3) G.O. No.4910-16/G.P.16-04-5, dated 22nd February 05 authorising the Comptroller to ~~send~~ new work done at the Press without obtaining Government sanction, may be cancelled and the classes of work to be done on his requisition may be defined.

Action to be taken.

(4) The printing of examination papers may be confined to papers of public examinations, viz., (1) the Mysore Civil Service (2) the University ~~xxxxxx~~ examinations (3) the Mysore Local Service & Pleaders' tests (4) School-final and (5) the Lower Secondary examinations.

(5) In G.O. No. C. 13906-56/G.P.S4-12-11, dated 11th June 1915, catalogues of school libraries may be omitted from among works to be ordinarily executed for the Education Department.

(6) The Government Order of the 11th June 1915 regulating the printing work in the Press may be suitably revised in the light of the foregoing ~~changes~~ proposals.

19) FORMS

The Press Probationer may be detailed for the work of suggesting reduction and standardisation of printed forms. He may begin with the Secretariat forms and forms common to all departments and thereafter take up the forms of other departments in the order of their importance.

20) MEASURES TO AVOID DELAY IN EXECUTING WORKS

The practice of keeping by works which cannot be immediately executed, without intimating the fact to the department concerned should be discontinued. When a work cannot be put in hand within two months, the department should be informed and arrangements should be made, if necessary, to get the work done at a private press.

As soon as any large work is received, the Dept concerned shall be informed whether the work can be taken up & the probable date of completion.

21) In reference to G.O. No. G.4337-9/G.P.22-17-1, dated the 28th September 1917, directing that the possibility of reducing work at the Government Press should be examined, a preliminary note was drawn up by Messrs. D.B.Ramachendra Mudliar and N.Madhava Rao under the instructions of the Chief Secretary who discussed the note with the above named gentlemen and Mr. T.E.Jeyarama Aiyar on the 3rd Jany. 1918. The following tentative conclusions were arrived at and the action to be taken is given below:-

	Action to be taken.

22) ABOLITION OF SUPERFLUOUS WORK.

The following items of work hitherto done at the Government Press may, in future, be discontinued after consulting the persons or bodies concerned.

Proceedings of the Engineers' Association

2. Bulletin of ,, ,,
3. Arthasadhaka Patrika
4. Market Report of the Chamber of Commerce
~~5. Proceedings of the Economic Conference~~
~~6. ——— of the Standing Committee.~~
5. University Work
6. Railway work
7. Mysore Bank work
~~10. Lalbagh Show Papers~~

23) With regard to the printing at the Government Press of records in cases of criminal appeals and murder cases, the Chief Court may be consulted as to whether the work may not be entrusted to a private press.

24) THE MYSORE GAZETTE.

To make the Gazette less cumbrous, Parts I, section 1-Appointments, V (weather reports) and VI (official papers) may appear every week and the remaining parts (unless there is
